PF - Nomenclature and creation - Why can I not see the option to select the Payment Forecast version I wish to create?

Payment Forecast for EMFF:

- **YYYY01 to be submitted by 31/01 of YYYY**
- **YYYY02 to be submitted by 31/07 of YYYY**

=> the forecast can be created as from **1 month before** its submission due date

=> at least 1 version of the OP should be **Sent** to the Commission!
