

EU Login - How to create an EU Login account and find your Unique identifier at the Commission (uid)

1. Copy and paste <https://webgate.ec.europa.eu/cas> in your Internet browser bar in order to connect to EU Login to create a new account.
2. Click on **Create an account**. There is no need to fill in the "Use your email address" field

A screenshot of a web form for creating an account. It features a text input field with the placeholder text "Use your e-mail address". Below the input field is a blue button labeled "Next". At the bottom of the form, there is a link labeled "Create an account" which is highlighted with a red rectangular border.

REMARK: *The options to sign in with Social Media Applications do not work with SFC2014.*

3. Complete the form with your personal details

REMARK: *If any of the required fields is incorrectly completed or left blank, an error message is displayed in red, under the concerned field to be corrected.*

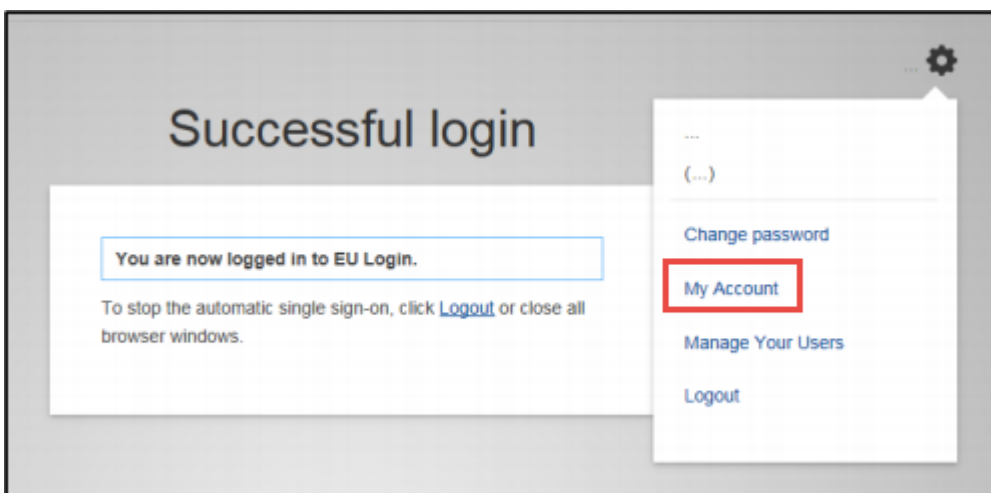

4. The EU Login sends a confirmation email and a link to enable you to create your password. Click on [this link](#)

5. Choose your new password in accordance with the instructions and confirm it.

6. If the password is accepted, you are successfully authenticated.

7. Now to request access to SFC2014 you will need to send your Liaison the Unique identifier at the Commission (uid). In order to find it, click on the gear at the top right corner to display the menu and select "My Account"

8. Click on the option "My EU Login Account Details"
