

## SFC2014 - I have an SFC2007 account, does this mean I automatically have access to SFC2014?

*No. Existing users of SFC2007 must explicitly request access to SFC2014 by providing their Unique identifier at the Commission (**uid**)? to their MS Liaison.*

*This Unique identifier at the Commission (**uid**)? is the same one that is used for the SFC2007 account and can be found accessing <https://webgate.ec.europa.eu/cas> and logging into EU Login and clicking on the gear at the top right corner to display the menu and select 'My Account' -> 'My EU Login Account Details' -> 'Unique identifier at the Commission (**uid**)'*

*Alternatively if a user already has an SFC2007 account they can login to SFC2007 and find their Unique identifier at the Commission (**uid**)? on the top-left of the screen:*

The screenshot shows the top navigation bar of the SFC2007 application. On the left is the European Union flag. To its right, the text 'Ecas-uid: joffrso' is highlighted with a red rectangular box. Further right, the text 'Node: EC Profile: joffrso - PROD ECOA' is displayed next to a dropdown arrow, followed by 'Version: 4.8.19'. Below this bar, the main heading reads 'System for Fund management in the European' followed by 'ERDF/CF, ESF, EAFRD, EFF, IPA, EBF, EIF, ERF and RF'. A horizontal menu below the heading lists: 'Strategic Planning', 'Programming', 'Monitoring', 'Execution', 'Audit', 'Evaluation', 'Closure', 'Anti-Fraud', and 'U'. The main content area below the menu displays the heading 'Welcome to the SFC2007 application'.

*Once the access request sent by the MSL is processed users will then be able to access SFC2007 and SFC2014 with the same Username and Password.*
