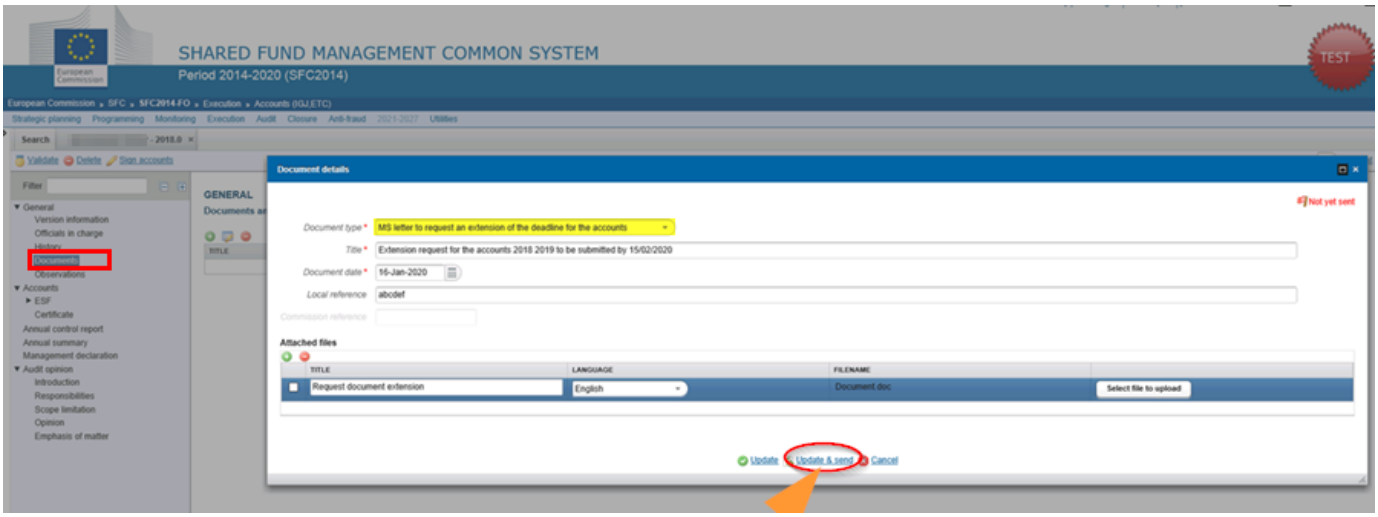
ACC - Where can I upload the document to request an extension of the deadline for the submission of the Accounts?

The document has to be uploaded as a *"MS Letter to request an extension of the deadline"* in the Documents section of the Accounts.



For this you need to create the Accounts dossier for the given accounting year first!

You can refer to the instructions in section **Create accounts** and in section **Documents** of the quick guides IGJ ETC , IPACB , EMFF , FEAD , AMIF ISF , EAFRD EAGF .
