

## PA - Roles Required - What roles do I need to create and send the Partnership Agreement?

*The **creation** of a new version of the Partnership Agreement requires a user with **Member State Authority (MSA) update** access for **all Funds concerned** (EMFF, EAFRD, ERDF, CF, ESF, YEI) on the Top Level Member State node.*

*The **validation and sending** of the Partnership Agreement to the Commission requires **two different users** with **Member State Authority (MSA)** access - one user with **update** access and one with **send** access for **all Funds concerned** (EMFF, EAFRD, ERDF, CF, ESF, YEI) on the Top Level Member State node.*

*Every MS Liaison officer is authorised to grant MSA update and/or send access for any fund concerned.*
