

OP - S2 Priority Axes - Investment Priorities - Thematic Objective: Unable to choose and input investment priority related to Cohesion fund

The list of Thematic Objectives (TO)/Investment Priorities (IP) (1) in the 'Investment Priorities' Table of each S2 Priority Axis (2) is taken from the list of TO and IP defined under S1 - Table 1 (3):

The screenshot displays the system interface for configuring S2 Priority Axes. The left sidebar (3) shows the navigation menu with 'S2 Priority axes' expanded and 'Priority axis: 1A' selected. The main panel (2) shows 'SECTION 2. PRIORITY AXES' and '2.A Description of the priority axes other than technical assistance'. Below this is a table of investment priorities. A red box (1) highlights the 'Investment priority' field in the 'Edit Details' section, which contains the text '10a.investing in education, training and vocational training for skills and lifelong learning by developing edu'.

| THEMATIC OBJECTIVE | INVESTMENT PRIORITY |
|---|--|
| 10. Investing in education, training and vocational training for skills and lifelong learning | 10a. Investing in education, training and vocational training for skills and lifelong learning by developing education and training infrastructure |

For REGIO Programmes the list does not contain only ERDF, it contains both ERDF and CF Investment priorities.

The ERDF ones have a code with the following format <number><alphabetical character> like 2a, 2b, 3c.

The CF ones have a code with the following format <number><roman number> like 6i, 6ii, 6iii, 6iv.
