

# OP - S3 Financing Plan - Table 18c by Thematic Objective: Why are there missing Priority Axes?

In Table '18c' of the OP in SFC2014 we only treat priorities with more than one thematic objective. For those with a single thematic objective, we already have their amounts in Table 18a.

In the example below there are multiple priorities for this programme but only priority 5 is shown because there is more than 1 Thematic Objective on this priority compared to the other priorities (eg priority 1) that only have 1:

**SECTION 3. FINANCING PLAN**  
**3.2 Total financial appropriation by fund and national co-financing (€)**

Table 18c: Breakdown of the financial plan by priority axis, fund, category of region and thematic objective

PRIORITY AXIS	FUND	CATEGORY OF REGION	THEMATIC OBJECTIVE
