

PF - Nomenclature and creation - Why can I not see the option to select the Payment Forecast version I wish to create?

Payment Forecast for EMFF:

- **YYYY01** to be submitted by **31/01** of YYYY
- **YYYY02** to be submitted by **31/07** of YYYY

=> the forecast can be created as from **1 month before** its submission due date

=> at least 1 version of the OP should be **Sent** to the Commission!
