

IR - Table 5 - Performance Framework - As the AIR 2016 is submitted in 2017, shouldn't the Table 5 'Information on the milestones and targets defined in the performance framework' be available?

In 2016 Table 5 was not editable because it was required for 2017.

The reports to be submitted in 2017 and 2019 have a deadline of **30th June**.

The following new elements will be added to the Implementation Report in **March 2017**:

- Macro regional strategies structured elements
- Additional columns 13 and 14 in Table 6
- Table 5 Performance Framework
- Additional validation rules
