

OP - Compare Versions - How can I obtain a comparison of an OP Amendment?

In SFC2014 you can compare the new OP version with the last adopted OP.

1. Consult the new OP in [SFC2014](#)

Go to **Programming > Operational Programme** and open the new version sent to the Commission.

2. Compare in SFC2014

You will find the **Compare to** function at the top right.

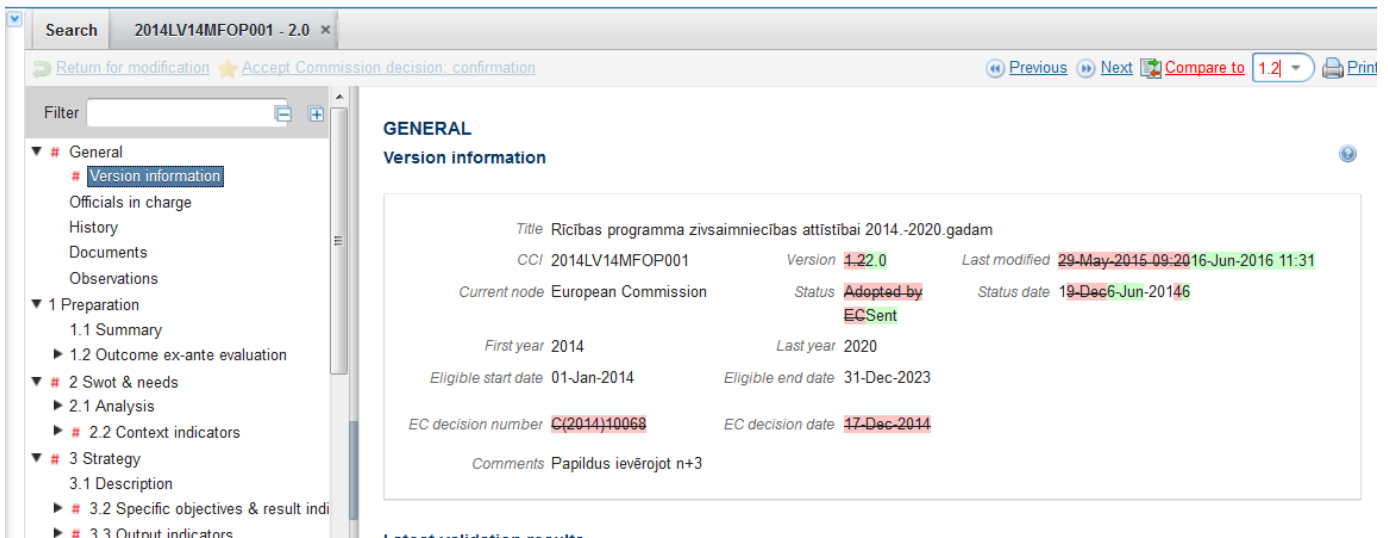

Select the last adopted OP version. (If you have now received version 2.0 the last adopted OP will be the last version starting with 1, therefore 1.2 in this case).

The screenshot displays the 'SHARED FUND MANAGEMENT COMMON SYSTEM' interface for the 'Period 2014-2020 (SFC2014)'. The breadcrumb trail is 'European Commission > SFC > SFC2014-FO > Programming > Operational programme (EMFF)'. The search bar contains '2014LV14MFOP001 - 2.0'. The 'Compare to' dropdown menu is open, showing options '1.2', '1.1', and '1.0'. The 'GENERAL' section is visible, showing 'Version information' for the current version 2.0. The interface includes a navigation menu on the left with categories like 'General', 'Preparation', and 'Swot & needs'. The main content area displays the following details:
