

QDoE - Financial Instruments - I want to update column 3 in section 'Financial Instruments' and it is not editable, what should I do?

Since Declaration of Expenditure **2018Q2**, the values of column 3 in the 'Financial Instruments' table are **automatically computed** based on public expenditures declared for Financial Instruments (articles 59(4)(c); 59(4)(d) or 59(4)(h)) in section '**Expenditure and Adjustments**' (= sum column 4, 7' & 8').
