OP - S3 Financing plan - Table 18a - Co-financing rate - After modification of co-financing rates, is there a way to assess the National Financing required?

A new Report called **'Cofinancing Rate Changes'** has been developed to help you to optimize your Financial Plan after co-financing rates were modified.

Click on the **'Print'** link (1) and select the report (2):

You will get the indicative tool for assessing the National Financing Required.
