

RDP - 5.2 Measures - How to add the new COVID-19 measure M21 in the Rural Development Programmes (EAFRD)?

The new measure "M21: Exceptional temporary relief to farmers and SMEs active in processing, marketing and/or development of agricultural products particularly affected by the COVID-19 crisis (art 39b)" can now be added in the Rural Development Programmes (by Priorities/Focus Area) from the Strategy chapter 5.2:

The screenshot displays the 'SWOT analysis' tab in the application. The left sidebar shows a tree view with categories like General, Member State or administrative region, Ex-ante Evaluation, SWOT and identification of needs, Description of strategy, and Ex-ante conditionalities. Under 'Description of strategy', the 'Measures' section is expanded, listing various measures from P1 to P6. Measure P2, 'Enhancing farm viability and competitiveness of all types of agriculture in all regions and sustainable management of forests', is selected, and its sub-measure '2A) Improving the economic performance of all farms and facilitating farm restructuring, participation and orientation as well as agricultural diversification' is highlighted.
