

SFC2021 - I have an SFC2014 account, do I automatically have access to SFC2021?

No. Existing users of SFC2014 must explicitly request access to SFC2021 by providing their Unique identifier at the Commission (**uid**)? to their MS Liaison.

This Unique identifier at the Commission (**uid**)? is the same one that is used for the SFC2014 account and can be found accessing <https://webgate.ec.europa.eu/cas> and logging into EU Login and clicking on the gear at the top right corner to display the menu and select 'My Account' -> 'My EU Login Account Details' -> 'Unique identifier at the Commission (uid)'

Alternatively if a user already has an SFC2014 account they can login to SFC2014 and find their Unique identifier at the Commission (**uid**)? on the top-left of the screen:

Help user: curelth node: European Commission | profile: curelth - EC - SECOF English (en) ▼

Once the access request sent by the MSL is processed users will then be able to access SFC2014 and SFC2021 with the same Username and Password.
