

## SFC2021 - I have an SFC2014 account, do I automatically have access to SFC2021?

No. Existing users of SFC2014 must explicitly request access to SFC2021 by providing their Unique identifier at the Commission (**uid**)? to their MS Liaison.

This Unique identifier at the Commission (**uid**)? is the same one that is used for the SFC2014 account and can be found accessing <https://webgate.ec.europa.eu/cas> and logging into EU Login and clicking on the gear at the top right corner to display the menu and select 'My Account' -> 'My EU Login Account Details' -> 'Unique identifier at the Commission (uid)'

Alternatively if a user already has an SFC2014 account they can login to SFC2014 and find their Unique identifier at the Commission (**uid**)? on the top-left of the screen:

The screenshot shows the top navigation bar of the SFC2014 system. The user is logged in as 'curelth' (highlighted in a red box). The navigation bar includes the following elements:

- Help: user: curelth
- node: European Commission
- profile: curelth - EC - SECOF
- Language: English (en)

The main header area displays the European Commission logo and the text 'SHARED FUND MANAGEMENT COMMON SYSTEM' and 'Period 2014-2020 (SFC2014)'. Below the header, the breadcrumb navigation shows 'European Commission > SFC > SFC2014-FO'. The main content area features a search bar with 'CCI' entered and a 'Search' button, and a 'Recent actions:' section.

Once the access request sent by the MSL is processed users will then be able to access SFC2014 and SFC2021 with the same Username and Password.
