

EU Login - How to create an EU Login account & find your Unique identifier (uid)

1. Copy and paste <https://webgate.ec.europa.eu/cas> in your Internet browser bar in order to connect to EU Login to create a new account.

2. Click on **Create an account**. There is no need to fill in the "Use your email address" field

The screenshot shows a web form for account creation. At the top, there is a text label "Use your e-mail address" above a white rectangular input field. Below the input field is a solid blue rectangular button with the word "Next" in white text. At the bottom of the form, there is a red-outlined rectangular button with the text "Create an account" in blue.

REMARK: *The options to sign in with Social Media Applications do not work with SFC2021.*

3. Complete the form with your personal details
