

EU Login - How to create an EU Login account & find your Unique identifier (uid)

1. Copy and paste <https://webgate.ec.europa.eu/cas> in your Internet browser bar in order to connect to EU Login to create a new account.
2. Click on the link [Create an account](#). There is no need to fill in the "Use your email address" field.

The screenshot shows the EU Login account creation interface. At the top, it says "Enter your email address or unique identifier" above a text input field. Below the input field are two buttons: a yellow "Create an account" button and a blue "Next >" button. A mouse cursor is pointing at the "Create an account" button. Below these buttons is a horizontal line with the word "Or" in the center. Underneath, there is a paragraph: "If you do not wish to create an EU Login account, you can sign in by using one of the following third-party sign-in options ('Sign-in Service'). [Read more](#)". Below this paragraph are three sign-in options, each with a logo and a link: "Sign in with your eID" (with a globe icon), "Sign in with Facebook" (with the Facebook 'f' logo), and "Sign in with Google" (with the Google 'G' logo).

REMARK: The options to sign in with Social Media Applications do not work with SFC!

3. Complete the form with your personal details. If any of the fields is incorrectly completed or left blank, an error message will be displayed in red under the field concerned.

9. The screen that is displayed will show your **Unique identifier at the Commission (uid)** .

The screenshot shows a web interface titled "My account details". It contains a table with the following information:

My account details	
Username	r[redacted]
Domain	External
Unique identifier at the Commission (uid)	[redacted] ←
Most recent login	14/05/2025 14:20 GMT+02:00
Previous login	

An orange arrow points to the "Unique identifier at the Commission (uid)" field, which is highlighted in yellow.

10. In order to create an SFC account you should send your **Unique Identifier (uid)** to your MS Liaison Officer, along with a request for the nodes, roles and funds you require for SFC2021/SFC2014.
