General - How do I search for information in SFC2021?

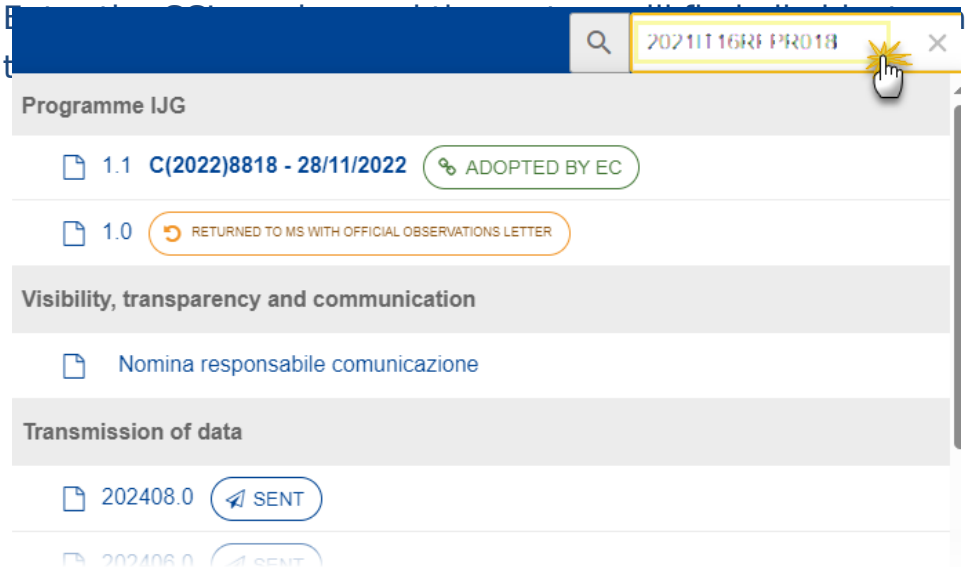

To search for information in SFC2021 you have two options:

1. **General search by CCI:**

   Click on the search icon in the top-right of the SFC2021 screen:

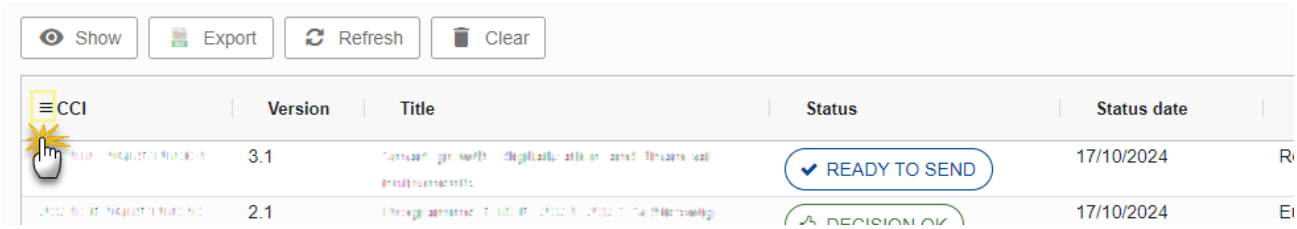

E nd documents linked t

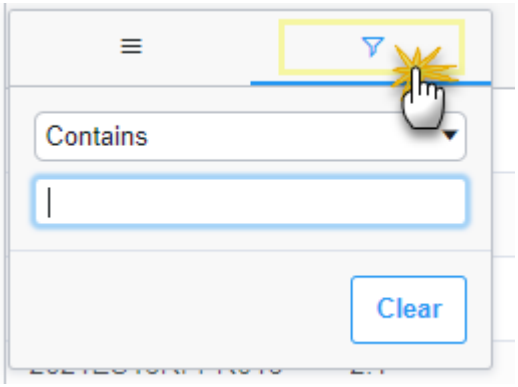

2. **Search for a specific object version:**

   Go to the menu for the object you wish to search for. Hover over the column headers and click on the icon with three lines on any of the columns:

Then click on the filter icon and enter the filter/search criteria:
