ACO - Documents - Where do I upload the Delivery Cost Survey after 2024?

The Document type **Delivery Cost Survey** will be disabled in SFC2014 as of end 2024. The Member States have been informed on 20.09.2024 that they have to submit through SFC2021 **Cost of Controls** and not SFC2014 after that date.

If a Member State user requires access to the SFC2021 application they should contact their SFC2021 Liaison Officer. If they do not know who the Liaison Officer is they can contact the SFC Support Team via ec-sfc2021-info@ec.europa.eu.
