

Documents - How can I upload a translation of an already sent document?

A 'Refresh' button is available for these cases where a translation has been uploaded into ARES at a later stage after a document has been sent in SFC2021. The Refresh will check ARES for any new attachments and upload them with the sent document in SFC. This action can be done by EC Users with update access.

The screenshot displays the SFC2021 interface. The top navigation bar is dark blue with the SFC2021 logo and a search icon. The left sidebar contains a menu with categories: AUDIT (expanded), EVALUATION, CLOSURE, and UTILITIES. Under AUDIT, there are several items, with 'EC audit report' highlighted and a hand cursor pointing to it. The right panel shows details for a document titled 'Audit DAC221PL2928 - Fundu...'. The details include: Document date: 04/04/2024; Sent by: HIMMANEN (CN=MAPAR_J...); Reception acknowledgment by: Budyńczuk, Piotr; Commission reference: Ares(2024)3039330.
