

Documents - How can I upload a translation of an already sent document?

A 'Refresh' button is available for these cases where a translation has been uploaded into ARES at a later stage after a document has been sent in SFC2021. The Refresh will check ARES for any new attachments and upload them with the sent document in SFC. This action can be done by EC Users with update access.

The screenshot displays the SFC2021 web application interface. The top navigation bar includes the SFC2021 logo, a search icon, a 'Compact' toggle, and the user profile 'SOPHIE JOFFRE' with the identifier 'joffrso - EC AA16'. A left-hand navigation menu is open, listing categories such as 'AUDIT', 'EVALUATION', 'CLOSURE', and 'UTILITIES'. Under 'AUDIT', 'EC audit report' is selected and highlighted with a mouse cursor. The main content area shows the details for a document titled 'Audit DAC221PL2928 - Fundu...'. A yellow box highlights an 'Edit' button in the top right corner of the document details section. Below the title, the document date is '04/04/2024'. The 'Sent by' field is 'HIMMANEN (CN=MAPAR_J...)' and the 'Sent date' is '25/04/2024'. The 'Reception acknowledgment by' is 'Budyńczuk, Piotr' and the 'Reception acknowledgment date' is '25/04/2024'. The 'Commission reference' is 'Ares(2024)3039330'.
