

APR - Section 2.1 - How Other Annex VI sector must be declared?

In section 2.1, if you must declare **OTHER-ANVI** sector you need to use the following structure into XML file:

```
<resultIndicator>  
    <resultIndicatorCode>R.11</resultIndicatorCode>  
    <sector>OTHER-ANVI</sector>  
    <sectorOtherName>ZEMIAKY</sectorOtherName>  
    <numeratorCategory></numeratorCategory>  
    <numeratorValue>39397205.78</numeratorValue>  
    <denominatorValue>39250000</denominatorValue>  
    <comment/>  
</resultIndicator>
```

Information provided for attribute SectorOtherName must be the Other Annex VI sector as declared in CSP (in your language if it was declared like this).
