

IR - Where do I find Section 15 in the FIR?

Section 15 is never in the report as it only refers to extra columns to be foreseen in Table 6. So, if you look in Table 6 you will see for the FIR this extra column (14) “Total eligible expenditure incurred by beneficiaries and paid by 31/12/2023 and certified to the Commission” .

It is only displayed in the FIR and **its value comes from the “2023 CUM TOTAL” value of the Financial Indicators for each Priority Axis, Fund and Category of Region in Table 5.**
