Title	Type	Language	File / Upload
-------	------	----------	---------------

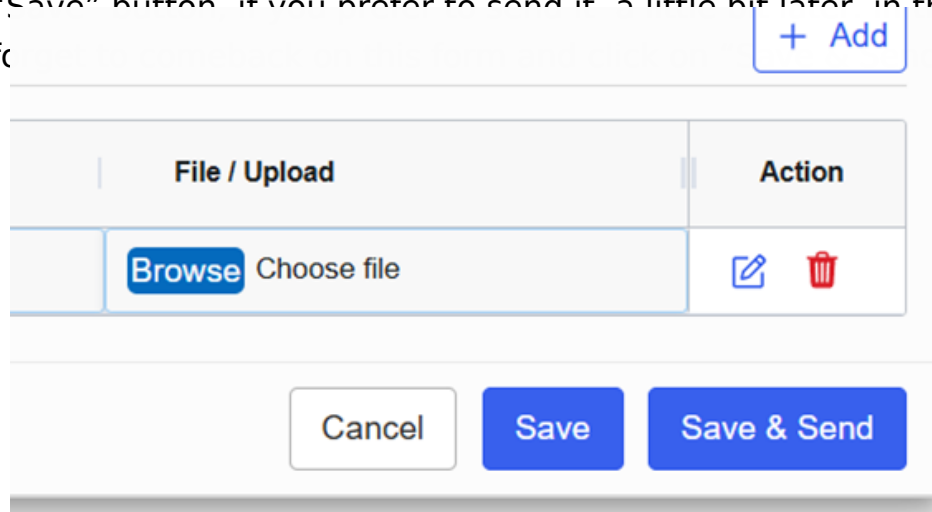

- Continue to fill the form and attach/upload your recoveries file.

**Important:** for Declaration 2026Q1, please attach/upload your recoveries **as an Excel file**, find template [here](#).

For the next declarations, we will ask you to send your recoveries **as an XML file** (as you are doing for the other information of your declaration).

More details about the structure of this new XML file will be provided at a later stage.

6. Once the form completely filled and the recoveries file attached/uploaded, please don't forget to click on "Save & Send" button if you want to immediately send it to the Commission (or just click on "Save" button, if you prefer to send it a little bit later, in this case don't forget to click on "+ Add" button).

The screenshot shows a web form interface. At the top right, there is a blue button with a plus sign and the text "+ Add". Below this, there is a table with two columns: "File / Upload" and "Action". The "File / Upload" column contains a blue button labeled "Browse" followed by the text "Choose file". The "Action" column contains two icons: a blue pencil icon and a red trash can icon. Below the table, there are three buttons: a white button with a grey border labeled "Cancel", a blue button labeled "Save", and a blue button labeled "Save & Send".

**Important:** For declaration 2026Q1, "Recoveries from previous programming period"/ "Other MS State document" can be sent to EC before or even after the declaration 2026Q1 has been sent to EC.
