### **Subject: SFC2007 Release 1.0**

Dear members of the SFC2007 Project interest group,

It is with great pleasure that, as anticipated in the June 2006 information letter, we can announce the release of the first version of the SFC2007 web-application.

The application is accessible for registered users only at the following web-address:

<https://webgate.ec.europa.eu/sfc2007/frontoffice>

In order to obtain access please consult the procedures listed in the information letter and in the documents located in Circa at:

[http://forum.europa.eu.int/Members/irc/regio/sfc2007/library?l=/control\\_security&vm=detailed&sb=Title](http://forum.europa.eu.int/Members/irc/regio/sfc2007/library?l=/control_security&vm=detailed&sb=Title)

We stress the fact that all requests for access must pass through the MS Liaison, and remind you of the importance of designating this authority as soon as possible. However, as mentioned in the document "*Access Control Management*" a transitory procedure has been put in place.

Furthermore an e-learning course explaining the general use of the system as well as a detailed explanation of the functionality is available ("*e-Learning Start-up Guide*" and "*e-learning Course v 1.0*") and can be downloaded from Circa at:

<http://forum.europa.eu.int/Members/irc/regio/sfc2007/library?l=/training&vm=detailed&sb=Title>

We hope that the SFC2007 web-application meets your expectations and remain at your disposal at [sfc2007-info@ec.europa.eu](mailto:sfc2007-info@ec.europa.eu) for any questions or comments that you may have.

The SFC2007 team
