Subject: SFC2007 Release 3.1.27

Dear members of the SFC2007 Project interest group,

It is with great pleasure that we can announce the release on 03/06/2009 of the updated version of the SFC2007 application which contains:

- All the functionalities of previous versions;
- Certain minor corrections and change requests;
- Simplification for introduction of **Programme Indicators** and **Annual Implementation Report** (ERDF/CF, ESF, EFF).
End user documentation is available in the quick guide section of the help page http://ec.europa.eu/employment_social/sfc2007/sfc2007_help/index.htm
- Web-services for this version have changed (an e-mail was sent to the technical teams on 19/5/2009). More information is available in Circa:
http://circa.europa.eu/Members/irc/regio/sfc2007/library?l=/technical_specifications/simplification_wzip/EN_1.0_&a=i

As a reminder, the application is accessible for registered users only at the following web-address:

<https://webgate.ec.europa.eu/sfc2007/frontoffice>

In order to obtain access please consult the procedures listed in the information letter and in the documents located on CIRCA at:

http://circa.europa.eu/Members/irc/regio/sfc2007/library?l=/control_security&vm=detail&sb=Title

We stress the fact that all requests for access must pass through your MS Liaison. The list of MS Liaisons, as well as the access request forms can be found on CIRCA at the above mentioned link.

We also would like to take the opportunity to remind you that the **access requests are processed within maximum 3 workings days**. We cannot guarantee better reaction time, even though in the practice, accesses are granted faster. **In case of approaching business deadlines, users are very much encouraged to contact their MS Liaison well in advance.**

We hope that this new version of the SFC2007 system meets your expectations and we remain at your disposal at sfc2007-info@ec.europa.eu for any questions or comments that you may have.

The SFC2007 team
