Changes

Social Climate Plan

SCP (22219) – (EC Only) Icon added to workflow action "Return Plan to MS for modifications with Remaining/Follow-up Observations".

Annual Performance Report EAFRD

AGRI APR (23093) – Export issues are fixed.

General

SFC GEN (22633, 22634, 22635) - Info icon added when “eligible until” has been extended to 31/1/2030 on Accounts, Payment Applications, Programme IJG.

Defects Fixed

Payment Forecast

PF (23252) – In the respective Payment Forecast Search List the Payment forecasts for all funds were displayed, ignoring the menu used to access the screen. This is fixed.

Transmission of Data

TOD (23253) - TOD compare in Table 9 was not working when it contained specific indicators. This is fixed.

Accounts

ACC (23216) - early/late warnings notifications were sent twice. This is fixed.

Certification Body Report and Audit Option EAGF EAFRD

AGRI CBRN (23029) - Audit Opinion O.4.1 text – translation updated.

AGRI CBRN (23053) - corrected versions 2025.1 created before February 24.

AGRI CBRN (22859) - incorrect date displayed for PT and IE - UTC time. This has been fixed.
