New Functionalities

N/A

Changes

CAP Strategic Plan (EAGF/EAFRD)

CSP (7941) – Translations are added for chapter 3 of Intervention.

Certification Body Report (EAGF/EAFRD)

CBR (8274) – In 18.1.3.2 the text and date have been changed from Monthly to Quarterly on screen and in preview.

CBR (8445) – In chapter 11.1/11.3 and 6.1.1 18 stratum are added.

CBR (8597) – A Commission reference label is now displayed showing the Ares number when status is Sent.

Defects Fixed

CAP Strategic Plan (EAGF/EAFRD)

CSP (8426) – in the 'Link to EC decision' screen the Confirm button is not enabled. This has been fixed.

CSP (8058) – The error occurring while preparing for send has been fixed.

CSP (8109) – The comparison report does not work when comparing version 2.0 with the previous version. This has been resolved.

CSP (8436) – In chapter 5.3 (Rural development interventions) subsection 11, the applicable rate should not be editable. This has been corrected.

Declaration of expenditure (EAGF)

DOE EAGF (8616) – Some lines are not visible in Search screen. This has been corrected.

Certification Body Report (EAGF/EAFRD)

CBR (8075) – An exception error is thrown during translation into German language. This has been resolved.

CBR (8076) – Applied validation rules report is not working and has been fixed.

CBR (8123) – In Report chapter 10.5.2.1 the table is shown in portrait mode instead of landscape. In 10.1, 10.2, 10.3 and 10.5 Not applicable is not checked and sections are never printed. In 10.3.4 the conclusion text is not appearing. These issues have been fixed.

CBR (8208) – In Report chapters 11.1 and 11.3 the tables are rendered in portrait mode instead of landscape. This has been corrected.

CBR (8211) – Comments are missing in 21.2.1, 21.2.2, 21.2.3 for EAFRD. This has been corrected.

CBR (8213) – Discrepancies between the screen view and the report view in 5.1.3.1/18.1.3.1 have been fixed.

CBR (8275) – Section 18.2.3 info in previews has been corrected.

CBR (8276) – Sections 21.3/8.3 21.2/8.3 the chapter information should be taken from the preview. This has been corrected.

CBR (8277) – The description is not available in the report for both options of the second paragraph. This has been resolved.

CBR (8278) – In sections 22.1.3 – 9.1.3 point of disagreements is not shown in the preview. This has been fixed.

CBR (8279) – In section 19.1.2 data is missing in the previews. This has been fixed.

CBR (8442) – In preview the Audit Objective label is used twice instead of AO1 and AO2. This has been corrected.

CBR (8534) – Section 18.6.3 is not available in the final report. This has been fixed.

CBR (8535) – Text “TRDI” is to be replaced by “the programming period 2007-2013” in section 18.5.3 of the report. This has been resolved.

CBR (8552) – Findings from 3.3.1.1 are selected in final report also for other subsections even those having ‘not applicable’ options and no findings are saved. This has been fixed.

CBR (8565) – Text shows truncated at the end of the page. This has been fixed.

CBR (8571) – The incorrect number of chapter 16 in final report has been corrected.

CBR (8587) – In chapter 18.5.3 no data is saved in the text boxes. This has been fixed.

CBR (8607) – 23.1.2 and 23.1.4 Applicable/Not applicable is not shown in preview and final report.
This has been fixed.

CBR (8617) – Total calculations in table 10.5.2.1 have been verified and corrected where needed.
