Changes

Programme AIB

PRG AIB (22711) - Add new and update existing categories in PRGAIB Table 6A Pledging Plan.

CAP Strategic Plan

AGRI CAP (22566) - In section 'General/When applicable, notified other amendments..', the user should have the possibility to display the text of each cell in English.

AGRI CAP (22653) - In section "Generals > Documents", users should be able to copy the documents from a different CSP version than the previous one.

Notification of Other Amendments

AGRI NOA (22688) - Improve ordering of other amendments in snapshot report.

Interventions/Beneficiaries EAFRD EAGF

DIB (22678) – New validation rule DIB_UPL_236 checking if R036 is reported, then R037 should also be reported.

DIB (22708) – Validation rule DIB_UPL_191 has been improved.

GAEC Derogations

AGRI GAEC (22663) – Improvements: Existing fields National Reference & Comments to be set as optional in Version information (for step create version and step edit version information). Make visible the Observations section in General section.

Certification Body Report EAFRD EAGF

AGRI CBR (22651) - subsections have been added to section 17.2.1 to be the same as 17.4.3 section. New sections 18.1.x added.

Certification Body Report and Audit Option EAFRD EAGF

AGRI CBRN (21860) - section 17.1.1 to have same table as in 16.1 section.

Defects Fixed

CAP Strategic Plan

AGRI CSP (22697) – Error when validating CSP (simplification = No) due to rule PRG_CSP_015_040. This is fixed.

AGRI CSP (20755) - In chapter 5.3.11, the total carry-over rows were not displayed in some cases. This is fixed.

AGRI CSP (22707) - Section 6 into RURAL Dev intervention not calculated. This is fixed.

Transmission of Data

TOD (10382) – Issue with decimals when doing a copy paste from excel having the format (decimal & group separator) not matching between excel and sfc. This is fixed.

Transmission of Data ETC

TOD ETC (21346) - Table 2 - Import from Excel was causing errors. This is fixed.

Annual Performance Report EAFRD EAGF

AGRI APR (21876) - Document ID for attached documents not preserved when a New Version was created - documents were not accessible if added into a previous version.

Scrutiny Report

AGRI EPS (22572) – Validation Rule 210 was failing whereas the list of budget items are the same in both sections. This is fixed.

Declaration of Expenditure EAFRD

AGRI DOE EAFRD (22726) –user is getting an error when consulting an older declaration for its paying agency. This has been fixed.

Certification Body Report and Audit Option EAFRD EAGF
