

Technical changes in AIR 2020

Technical changes to SFC (1/4)

New feature this year: reporting of measure M21

(exceptional temporary support to farmers and SMEs particularly affected by the COVID-19 crisis, Article 39b of Regulation (EU) 1305/2013)

In Table A to report on committed expenditure (annual basis):
for output indicator **O1 - total public expenditure**,
by type of support (support to **farmers**/support to **SME**)
by **priority/focus area**.

In Table B1 to report on realised outputs (cumulative basis):

for two output indicators:

O1 - total public expenditure and
O4 -Number of holdings/beneficiaries supported,

by type of support (support to **farmers**/support to **SME**)
by **priority/focus area**.

Technical changes to SFC (2/4)

New table C2.5

In Table C (following article 14(4) and annex VII of Reg. (EU) 808/2014) with the purpose to report on operations supporting mitigation of the impact of the COVID-19 crisis and recovery actions **programmed under other measures than M21**.

Information to be reported in a **new table C2.5**:

by **measure**,

by **priority/focus area**,

for **relevant output indicators** for each measure (tbc),

also on a **cumulative basis** (area-based, multi-annual and LU-based measures to be limited to financial output indicators).

Technical changes to SFC (3/4)

New indicators for measure 17 (Risk Management)

For sub-measures 17.1, 17.2, and 17.3 **new O1 financial outputs have been added in Tables A and B:**

- a. "Total public expenditure (€) (17.1) - out of which supporting minimum loss thresholds of below 30%"
- b. "Total public expenditure (€) (17.2) - out of which supporting minimum loss thresholds of below 30%"

Technical changes to SFC (4/4)

Chapter 2: Progress in implementing the evaluation plan

sub-section e) "A summary of completed evaluations, focusing on evaluation findings"

An explanatory note was added to guide the reporting in this section by summarizing findings by CAP objective or priority and making sure that the findings are clearly described, indicating whenever they are positive or negative:

"Please summarize the findings from evaluations completed in 2020, per CAP objective (or RDP priority, where appropriate).

Report on positive or negative effects/impacts (including the supporting evidence). Please don't forget to mention the source of the findings."
