NEW FUNCTIONALITY

- **A STOP procedure has been added for Major Projects (for EC users only)**

A stop can be set by the Commission on the latest version of the Major Project when at least 1 version of the Major Project was sent to the Commission.

The screenshot shows the 'System for Fund management in the European Community 2007-2013' interface. The user is viewing a specific Major Project (2007CE16UPR208). The 'Status' is 'Decision Taken'. A red box highlights the 'Stop' button in the top navigation bar. Below the project details, there is a table showing the project's structure:

CC1	Priority Axis	Fund
2007SE16UPC477	CF1 - CF Convergence	CF
2007SE16UPC477	ERDF1 - ERDF Convergence	ERDF
2007SE16UPC477	ERDF2 - ERDF European Territorial Cooperation	ERDF
2007SE16UPC477	ERDF3 - ERDF Regional Competitiveness and Employment	ERDF

The Major Project will be stopped and its status will be set to "Stopped".

The screenshot shows the 'List of Major Projects' search results. The search criteria include 'Nature: Infrastructure Investment' and 'Status: Stopped'. The results table shows the following data:

CC1	Version	Nature	Title	Status	Previous Node	Current Node	Last Modified	Decision
