New Functionalities

Social Climate Plan

The Social Climate Plan is now available via the Strategic Planning menu. A user guide is available in the Support Materials section of the portal [here](#).

Changes

Declaration of Expenditure

AGRI DOE EAFRD (18518) - Regenerated incomplete snapshots for 2024Q4 and added in SFC2021.

Data on LAGS

AGRI LAGS (13243) - When creating a new LAGS Data, all existing versions (last working version) for the same CCI must be 'Sent' to the Commission'.

Final Report EGF

FR EGF (19776) - New sections 3.7 and 3.8. New validation rules 042-044.

Defects Fixed

Programme AIB

PRG AIB (20265) – (EC Users only) - On reopen from status Accepted by EC or Accepted by MS, table 5 should be cleared. This is fixed.

CAP Strategic Plan

AGRI CSP (19849) - Users get an error SFC_GEN_049 Signature error: missing mandatory parameters, when sending a CSP. This is fixed.

Final Report

FR EGF (20212) - Error during send due to the Section 2 CRC calculation. This is fixed.

Mid Term Review

MTR (19816) - Search list - Column 'status' filter list seems to correspond to another object than MTR. This is fixed.

Data on Beneficiaries

AGRI DIB (19801) - The creation of a new DIB version fails for some MS/PAs. This is fixed.

Commission Decision

COMDEC (19905) - Info bar - After being in an open programme detail, opening a Commission Decision detail displays the Programme information. This is fixed.

Scrutiny Report (EAGF)

AGRI EPS CONTROL (19355) - Users getting an error when they try to generate a snapshot of an empty Control Plan. This is fixed.

General

GEN DOC (19900) - A user should be able to make a reply to a document only having access to one of the links. This is fixed.
