# Accounts (EMFAF)

## PURPOSE

This document describes the actions related to the Accounts module managing 3 of the 4 elements of the Assurance Package (Article 98 CPR) for EMFAF and to be submitted together as one object to the Commission before the 15<sup>th</sup> of February of each year. These 3 elements are, the Accounts as referred in Article 98.1(a) and described in template Annex XXIV of the CPR, the Management Declaration as referred in Article 74.1(f) and described in template Annex XVIII of the CPR, and the Annual Audit Opinion as referred in Article 77.3(a) and described in template Annex XIX of the CPR. The fourth element of the Assurance Package, the Annual Control Report Article as referred in Article 77.3(b) and described in template Annex XX of the CPR is managed in a separate module, because it can cover multiple Programmes, and will therefore only be referenced in the Accounts module.
